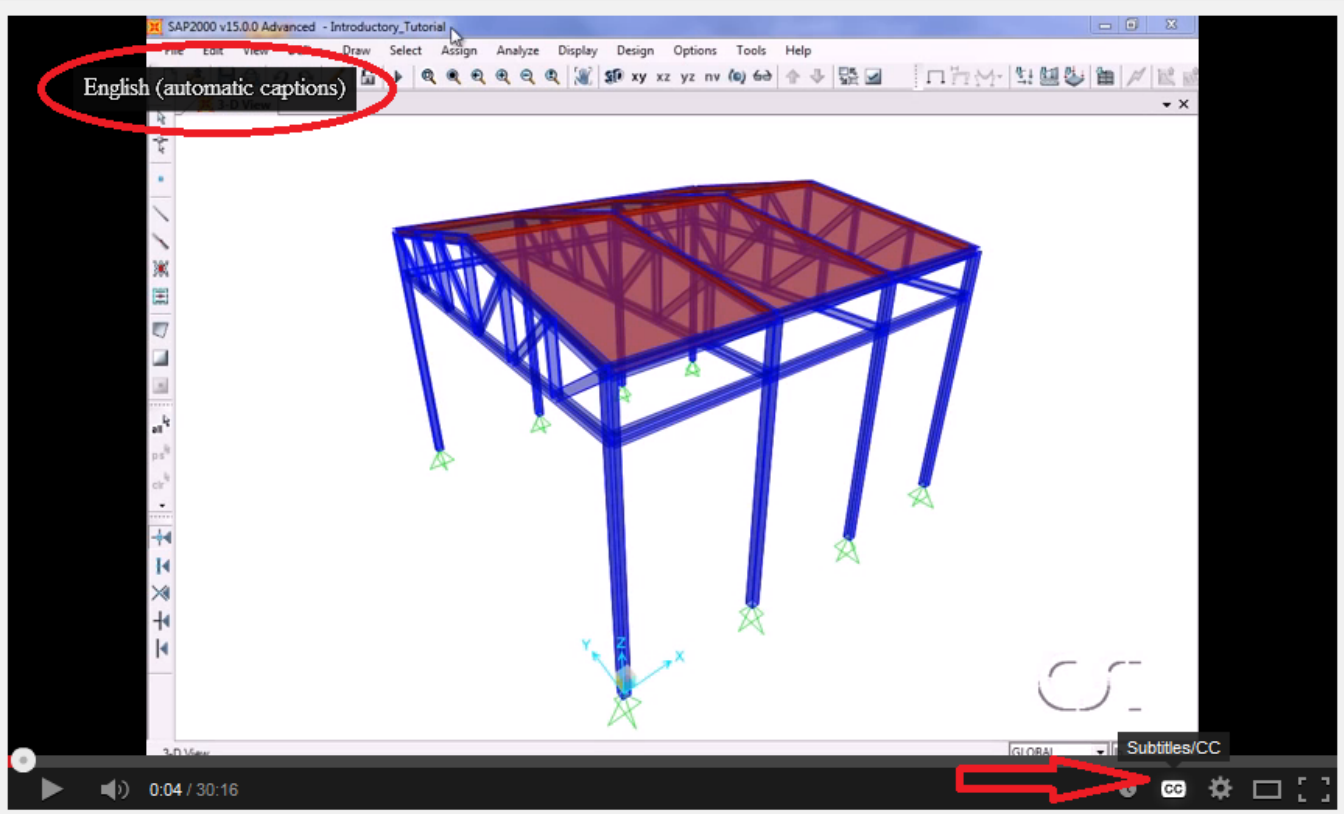
# Displaying video captions

It is possible to display captions for Watch and Learn videos that are viewed on YouTube. These captions are automatically created by YouTube and this page describes how to display these captions in English or another language.

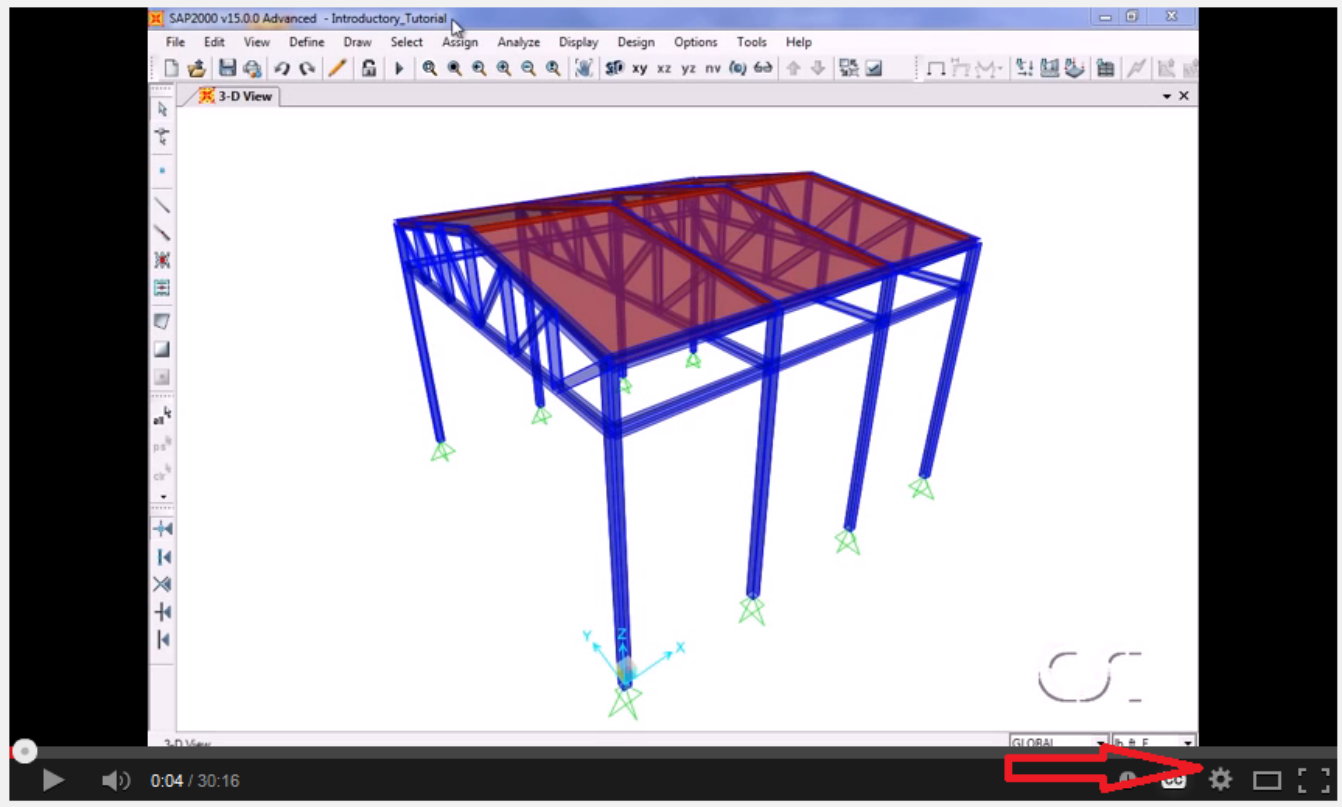
**On this page:**

- STEP 1: Click on the CC button in the lower-left hand corner of the YouTube screen.
- STEP 2: Click on the Settings button.
- STEP 3: Click the "Translate captions" option in the Subtitles/CC edit box.
- STEP 4: In the Translate drop-down list, select the language that the subtitles should be translated to and click OK.
- STEP 5: Subtitles appear in the selected language!

## STEP 1: Click on the CC button in the lower-left hand corner of the YouTube screen.



## STEP 2: Click on the Settings button.



STEP 3: Click the "Translate captions" option in the Subtitles/CC edit box.
